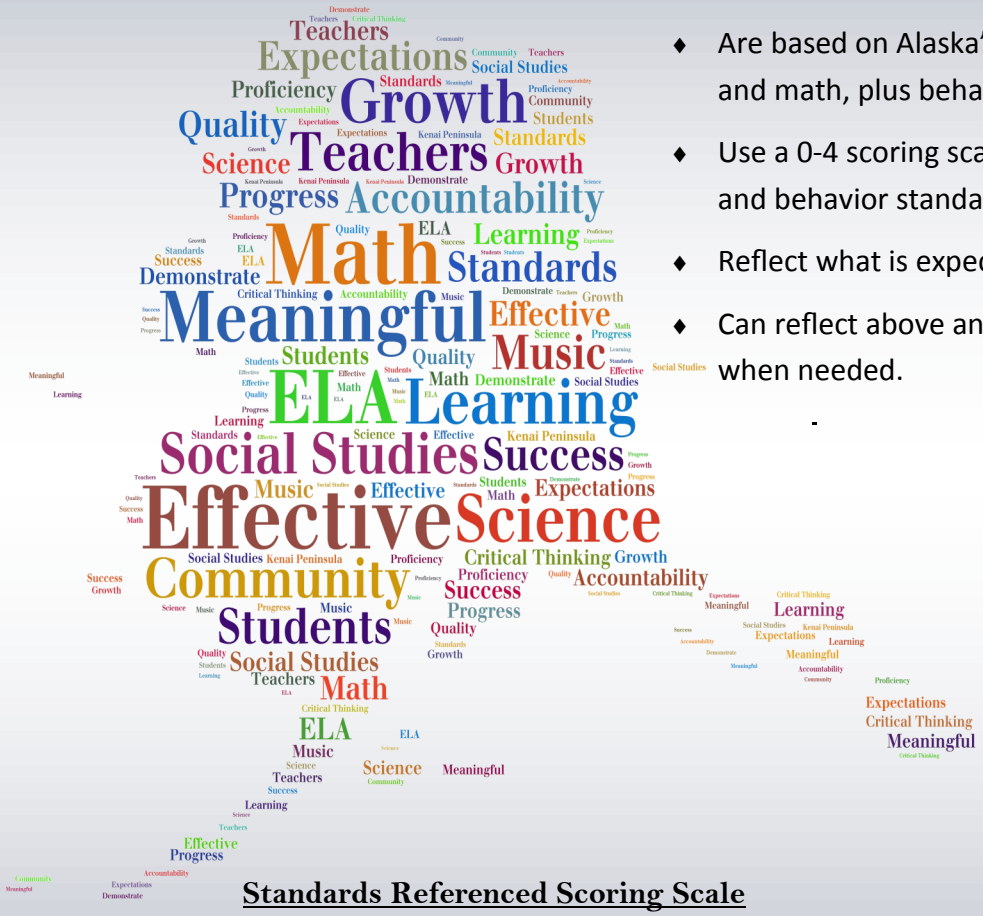
KPBSD's Elementary Report Card:

Meaningful Reporting on Student Success



The elementary school report cards:

- Are based on Alaska's standards in English/language arts and math, plus behavior and community skills.
- Use a 0-4 scoring scale in relation to specific achievement and behavior standards.
- Reflect what is expected within each grade level.
- Can reflect above and below grade level achievement, when needed.

Focused on the goals of:

- Instruction & reporting on the AK standards.
- Increasing consistency in what & how student progress is reported quarterly.
- Providing an accurate reflection about student learning of standards over time.

Standards Referenced Scoring Scale

(From *Marzano: Modified and Complete Scoring Scales)*

4.0 I have gone beyond the standard.

3.0 I am meeting the standard.

2.0 I can meet part of the standard.

1.0 With help, I can meet part of the standard.

0 Even with help, I can't meet any of the standard.

The mission of the Kenai Peninsula Borough School District is to develop productive, responsible citizens who are prepared to be successful in a dynamic world.
