We need your help.
We are trying to plan for our next school year, 2021-2022.
It would be extremely helpful for us to know if your child plans to return to Redoubt or enroll in another school.
We are asking parents to either email Mrs. Kircher at ckircher@kpbsd.k12.ak.us or call the office at 260-4300.

Last Day of School
Field Day/Picnic
Wednesday, May 19th.

Students Nutrition Services will not be serving breakfast or lunch on this day. Redoubt Elementary will provide hot dogs, chips and water to all students for lunch, free of charge. To stay in compliance with our Smart Plan, and with Covid cases on the rise again, we will not be having volunteers or an open campus for parents or family.

This will be a field day for students only.

Face Masks

We know it's been a long year and we are getting tired of wearing our masks everyday. We understand. Our year is not over yet. All staff and students are required to wear masks all day.

We are beginning to see a lot of students come to school without masks and grab a handful to take home. Please try and have masks for your child to bring to school. It is recommended that each child has 2 clean masks per day. Thank you for your understanding.

We have less than one month to go before school gets out.

Please note that our newsletter is emailed to all parents with an active email account and can also be found on our FB page and school blog.

Our office now has only one secretary. Please be patient if you are calling. We ask if you call and there is no answer, to *please leave a message.* Please remember, the office only takes voice mail after 2:45 so we can assure all students messages at the end of the day occurs according to parents' plans.
