BACKGROUND INFORMATION

At the December 3, 2012 Board meeting, the following motion was made:

“Ms. Hohl moved the Board *tentatively* approve the Greatland Adventure Academy Charter School application dated December 3, 2012, to allow timely submission to the state. This *tentative* approval is subject to Board action once the facility, budget, contract and any changes to the application are finalized. Mr. Anderson seconded.

Motion carried unanimously.”

In speaking with the State, they have requested the words “tentatively” and “tentative” be removed; they believe those issues are already addressed in the application. Once they receive a copy of minutes with this change they can proceed with the application.

ADMINISTRATIVE RECOMMENDATION

It is the administrative recommendation that the application from Greatland Adventure Academy Charter School be approved.
