Dear Dr. Atwater,

I am writing this letter to you to let you know it is my intention at the end of my contract this year to resign from KPBSD. I have truly enjoyed my time here as a teacher and then as an administrator, but it is time now for me to move closer to my family so I can be more involved in their lives on a consistent basis and available to them as medical issues arise.

Thank you for the wonderful experiences I've enjoyed in this school district and I look forward to hearing about the great things that are accomplished here in KPBSD in the future.

Sincerely,

Lisa Callahan

Dear Melissa Linton,

I am writing to inform you and the Kenai Peninsula Borough School District that it is my intention to relocate to Nevada this coming summer. This decision was hard to make and brings many mixed emotions. Because of this change, I will no longer be able to teach at K-Beach Elementary after my current contract is fulfilled. Please note that this change is due to external factors that are unrelated to my work at K-Beach Elementary. Also, please accept my sincere thanks for all the opportunity that you, KPBSD, K-Beach Staff, and this community have afforded me these last three years. My experiences at KPBSD and K-Beach Elementary have been positive, educational, thoroughly enjoyable, and have made me a better teacher. So, it is with sadness that I officially inform you that I will no longer remain with KPBSD. Please accept this letter of resignation as my official notice, along with my gratitude for all of the time you specifically have invested in helping me improve as an educator.

Sincerely,

Joseph Pazar

I have very much enjoyed and appreciated my time working for this district and serving the students of the Kenai Peninsula.
