BACKGROUND INFORMATION

For the past six months the Seward Schools' Principals and Seward Site Council have been in discussion on the pros and cons of reconfiguring the Seward Middle School to include 6th grade. The consideration of this move included a community survey and multiple chances for public input. After reviewing the survey results and considering public input, the Seward Site Council voted to recommend that the Seward Middle School be reconfigured to grades 6-8. A letter indicating this intent was included as a part of your April packet.

ADMINISTRATIVE RECOMMENDATION

The KPBSD Administration will provide the KPBSD Board with a recommendation on whether to reconfigure the Seward Middle School to grades 6-8 by October, 2013.
