## BACKGROUND INFORMATION

Each year the Association of Alaska School Boards (AASB) promotes a series of core resolutions that provide AASB staff guidance in working with state and federal policy-makers. The district administration reviewed this year's resolutions and recommended changes that were introduced at the August worksession. The Board's legislative committee also reviewed the list and made recommendations.

## ADMINISTRATIVE RECOMMENDATION

The District Administration recommends that you support the resolutions as amended during the September worksession.
