

KPBSD School Board
Legislative Committee Agenda
September 9, 2013

I. AASB Resolutions

- a. Priorities from each section that impact our district. [Note we cannot deal with all of these in-depth and there is time at AASB and at the Fly-Ins to address these further.]
- b. Top priorities and wording for work session and Board meeting.

II. State and Federal Legislative Priorities

- a. State Priorities
- b. Federal Priorities

III. Approval of Committee Goals (tabled from August, revised draft from July)

- a. Track, clarify, and assess our role as we progress through the committee's first year (minutes, report out, review)
- b. Utilize Board and District goals, including the APQC process, for identifying areas needing legislative action and develop a strategy for impacting legislation to the benefit of the District.
- c. Complete our annual state and federal legislative priorities by October 15.
- d. Track local (Borough/City), state, and federal issues and legislation and assess impact on District.
- e. Engage the public in advocacy.
