

Kenai Peninsula Borough School District

Committee Charge for Board Health Costs Review Committee

Name:	Board Health Costs Review Committee
Department:	Board of Education
Focus Area:	Review and evaluate district health care expenditures
Membership:	Three board members appointed by the board president, superintendent or designee, other technical resource personnel deemed appropriate by the committee
Type:	Special
Meeting Dates:	As needed
Duration:	120 days unless extended by board approval Extended through September 15, 2017; BOE approval 6/5/17.

This committee is charged with gathering the available information regarding the expenditures the District incurs with its current health care program, utilizing appropriate professional help to interpret said information, and suggesting potential options the District may have to reduce those expenditures.
