

Working together to give you high quality surgical care and cost savings.

The Kenai Peninsula Borough School District partners with BridgeHealth to ensure you receive high quality care when you need non-emergency surgery. BridgeHealth connects you with top-rated facilities and surgeons, and you'll pay less out of pocket.

GET BETTER CARE

BridgeHealth helps you select a top-rated provider for your type of procedure. Top-rated providers have fewer complications, lower infection rates and better outcomes.

SAVE MONEY

When you choose a BridgeHealth provider, your surgery is covered at 100%.

YOU PAY	TRAVEL BENEFITS
<p>\$0 No deductible No coinsurance</p>	Airfare, lodging and meal allowance are covered for the patient and a companion

To be eligible for the BridgeHealth surgery program, Kenai Peninsula Borough School District must be the patient's primary health plan.

CONCIERGE SERVICE

A dedicated BridgeHealth Care Coordinator guides you through the surgery process and handles all the administrative work, approvals, billing and scheduling.
