Dear Tim,

This is my official letter of resignation. We have spoken about this possibility and the time has come when all of the pieces are in place. I am now able to move forward to the next phase of my life and career.

The last two years I have been on leave with the Alaska Statewide Mentor Project and it has made me aware of how fortunate I was to have spent my entire career in education on the Kenai. There is a certain excitement and sadness in moving on. I spent 23 years at Chapman in Anchor Point, the school and community retains a very special place in heart.

Lorrie Scoles has been notified of my plans. While I will not be with the Kenai Borough, I will continue with the mentor project and hope to be working in some of the local schools next year. My hope is to keep an office space in Anchor Point to work from to assist with my continued work with ASMP.

Please contact me if you have any questions. I will be bringing this letter by the office today or putting it in the mail so that you have a hard copy. Thank you for time and assistance in this matter.

Sincerely,

LuAnne M. Nelson
