Re: Principal Roles in KPBSD Schools, Work session

Following up on a request from Board members, on Monday, September 8, 2008 a work session has been scheduled to focus on the various roles principals have in KPBSD schools. An overview of these roles will be provided which will include a discussion of the factors used to determine principal duties as well as a review of current positions including;

- Principals
- Assistant Principals
- Athletic Directors
- Principals with Teaching Assignments
- Principal Teachers

Time will be available during this work session for discussion of these various roles and for your questions to be answered.
