Re: 2009-10 School Calendars Revised for Board Approval

When the Calendar Committee met last fall, they prepared an alternate calendar for 2009-10. They did so in anticipation of the then upcoming negotiations including discussion of making the last day of the first three quarters of the school year a .5 work day and a .5 inservice day.

During negotiations KPEA, KPESA and the Administration reached consensus on making the last days of the first three quarters .5 work day and a .5 inservice day. Although the union negotiations have yet to be finalized, the District recommends that this alternate calendar be approved for the 2009-10 school year.

The attached 2009 calendar includes the following changes:
