I am submitting my request for retirement from the KPBSD at the end of the 2009-2010 school year. I emailed Julie Holland on October 30 and would like to add four of my personal leave days to the end of my year and add the per diem to this year's contract. My principal, Karen Wessel, and I will determine how I will use those days.

I have worked as a certified teacher since 1982 in all grades K-12, including Nanwalek School, McNeil Canyon Elementary, Homer Middle, and currently Flex High High. I am privileged to have taught so many age groups and to have held positions in a series of schools with exceptional staff and programs. Given the opportunity, I would select teaching as a career again, but I find, after 27 years in the Kenai, that the time has come to "graduate" and discover what else the world holds in store for me.

I thank the Board and the several superintendants who have served the Kenai district from 1982 to the present, and I consider myself very fortunate and satisfied for completing these years of service.

Sincerely,

Nancy Vait

Dear Mr. Peterson,

It is with regret that I must offer my resignation from the district effective November 30, 2009. [REDACTED]

[REDACTED]. I would like to extend my appreciation for the numerous opportunities for growth and experiences I've had in my years in the district. There are many people with whom I have enjoyed working and will take memories of their outstanding commitment to children. Most importantly, I feel it has been an honor and a privilege to have worked with the children from whom I have learned so much. I wish you all the best for the future of KPBSD.

Sincerely,

Carol VanDerWege
