Dear Tim:

I would like to resign from my current position as intermediate resource teacher when my contract expires for the 2009-2010 school year. Unfortunately, this position proved not to be a good fit for me. Please consider me for another teaching position in the district.

Respectfully,

Dear Mr. Peterson,

After careful consideration I am writing to let you know that I am resigning from my position as Physical Education Teacher at Kenai Central High School. My last day will be May 24, 2010, the last day of my teaching contract.

While my time at Kenai Central High School has been rewarding, I feel it is best for my family for me to stay at home with my child at this time.

Working At Kenai Central High School has been a worthwhile experience. Thank you for the opportunity to work for such a successful district.

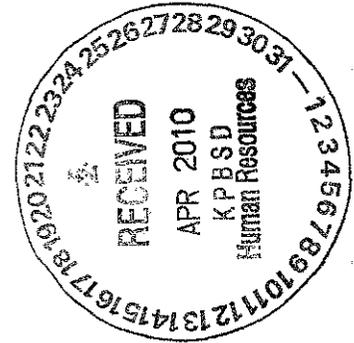

Sincerely,

Dear Mr. Peterson:

Please accept this letter as notice of resignation from my position as Pupil Services Program Coordinator at the end of the 09-10 contract.

I have truly enjoyed the opportunity to work with the families and the educational professionals that support children with exceptional needs across the school district. However, I have three young children at home and have made the decision to focus my time and energy on my family.

I am privileged to have worked with outstanding colleagues and have had the support of exceptional leaders throughout my tenure with the district.

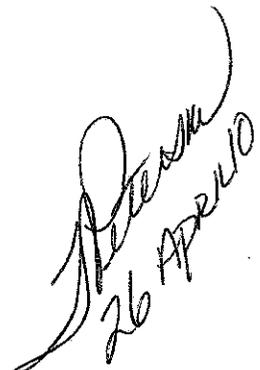

I am grateful for the professional opportunities I have been given and I hope to return to the Kenai Peninsula Borough School District when my children are older. I will be happy to assist in whatever way possible to create a smooth transition for the department. Thank you for your time and assistance.

Sincerely,

Jamilyn Harper

Gentlemen:

It is with mixed emotions that I request to be released from my contract, and tender this letter of resignation from my counseling position at Soldotna High School, effective at the close of the 2009-10 school year. Recently, I interviewed for and was offered a counseling position in northeast Iowa. It is my intent to accept this offer.

My family and I moved here some 17 years ago, mostly as an adventure. Both of my daughters received a solid education from this school district. Moreover, I have been proud to say I was an employee in the Kenai, specifically at Soldotna High School. Some of the finest educators I have ever known work at SoHi; I have been blessed to consider them my colleagues and friends.

I will carry with me the memories and faces of thousands of students and parents I have worked with through the years. In working with them, I have truly become a seasoned counselor and educator. Thank you for the opportunity to live and work here, to raise my family here, to call me one of your own.

Sincerely,

Abby Smola, M.A.
School Counselor
