This letter serves as a follow up of my e-mail (see attached) to Tim Peterson on September 27, 2010 indicating that I plan to retire at the end of the current school year. I wish to utilize Section 320, option 2 which allows me to exchange up to five (5) personal leave days for a contract extension. It is my understanding the added work days are to complete a project that has been approved by Mr. Sorenson.

Subject: Resignation

Dear Mr. Peterson:

I would like to formally indicate my intent to resign at the end of the 2010-2011 school year.

I have spent more than 30 very rewarding years serving in the small schools of Kenai Peninsula Borough School District and I feel I am now ready to pursue other interests for my life.

I would like to thank our current Superintendent, Dr. Steve Atwater, and well as his predecessors going all the way back to Dr. Fred Pomeroy who hired me, for their leadership and the opportunities they have given me as a professional.

I would also like to thank our School Board members for the endless service that they contribute to our schools and communities.

I wish you well.

Sincerely,

A handwritten signature in cursive script that reads "John Szajkowski".
