Dear Dr. Atwater,

After long and careful consideration I have made the decision to resign from my position as Principal at Chapman School effective June 3, 2011. Please accept this as formal notice of my retirement from the Kenai Peninsula Borough School District.

With gratitude and honor I thank you for the many and varied opportunities for professional and personal development that you and the district have provided me over the past 18 years. While I look forward to enjoying my retirement, I will miss the collegial support and the parents and community members who have diligently supported our Chapman School efforts. Most of all, I will miss the children who have been entrusted to me. My experiences at Kachemak Selo, McNeil Canyon, Razdolna, Homer High, Nikolaevsk, and Chapman have enriched my life immeasurably.

Sincerely,

*Sharon K. Trout*

Subject: Retirement Notification

Dr. Atwater,

This letter is to inform you of my intent to retire at the end of the 2010/2011 school year. It has been a distinct honor and privilege to work for this district for the past fifteen years. I truly appreciate the opportunity that was given to me when I was hired as a teacher at Soldotna High School. As a "non-traditional" first year teacher I found that my past life experiences were helpful, but it was my colleagues who really helped me become proficient in my new profession. The hundreds of caring and competent people working with our children are the ones who make the Kenai Peninsula Borough School District a stand out in this state.

As we often hear from you and pass on to our staff, "family first." The wonderful new addition to our family is calling to me. I have been thousands of miles away from my children for too long. I am excited to get to know my grandson.

I feel confident that I will be leaving Soldotna Middle School in the hands of an excellent and compassionate staff. It is their expertise and dedication to the students of Team Spartan that make my decision an easy one. I know they will be able to count on your support as well.

Sincerely,

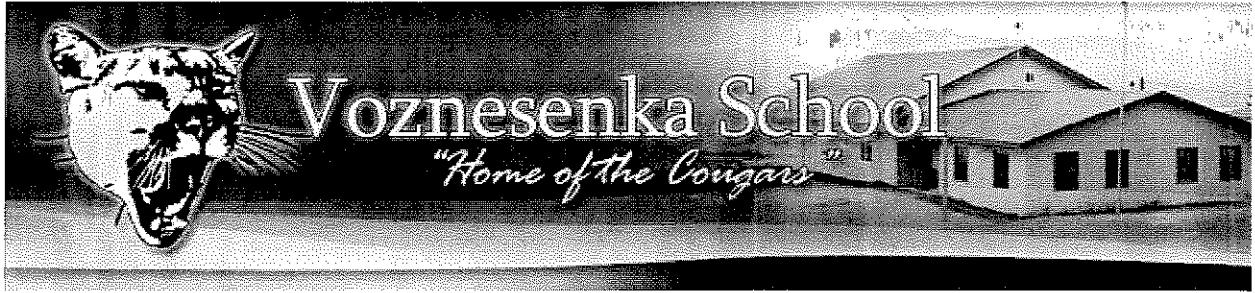

Sharon Moock, Principal

Dear Dr. Atwater:

The purpose of this letter is to inform you of my intent to resign my administrative position with the Kenai Peninsula Borough School District, effective at the end of my current contract in June of 2011.

The past three years with the KPBSD have been extremely satisfying professionally and personally for me. Under your leadership the district has made many positive strides and I believe it will continue to do so. I have been very fortunate to work with many fine people at both the site and district level. Most importantly, working with the students and parents at Hope, Kachemak-Selo, and Voznesenka Schools has made a lasting impact on my life.

I appreciate the opportunity given me to be a part of this very special school district.

Sincerely,
