Memorandum

To: Board of Education

From: Michael Hanson, District Intervention and Testing Coordinator
Tim Vlasak, Director of Secondary Education

Date: 2/1/11

Re: Response to Intervention

Michael Hanson will be providing a brief overview of the Response to Intervention process for our school district. She will provide information on the schools that have interventionists working with students who are not performing in the average range based on school assessments. The presentation will highlight actual student improvement data in regards to catch-up growth for KPBSD students.
