Dear Dr. Atwater,

My name is Joy Hagen and I teach at Aurora Borealis. I have been employed in the Kenai Peninsula Borough School District system for the past 28 years. I have decided to retire at the end of this school year, 2010- 2011.

It has been a privilege to work in the Kenai schools. I have met and worked with outstanding teachers and administrators from Nikiski to Sterling, Kenai and Soldotna.

I've enjoyed my job every day, almost. The students have been so great and the parents have been very supportive. I've made some great friends that I'll never forget.

Thank you for the opportunity to teach in the Kenai district for the majority of my teaching career.

Sincerely,

Joy Hagen

Dear Mr. Tim Peterson:

This is a formal notification that I am retiring from my position with the Kenai Peninsula Borough School District. My last day of employment will be at the end of the current contract year (2010-2011) with the school district.

I appreciate all the opportunities and experiences KPBSD has provided for me along with the education that my daughter (currently an MD) was exposed to at Soldotna Middle and Skyview High School. I believe the preparation and education she received in this district helped her reach her goals.

Sincerely,
Ed Sotelo

Dear KPBSD:

It is with some trepidation that I notify you absolutely of my intent to leave the district. I have been struggling with this decision, thus the delayed notification. I have truly enjoyed working here. The working conditions have nothing to do with my choosing to leave.

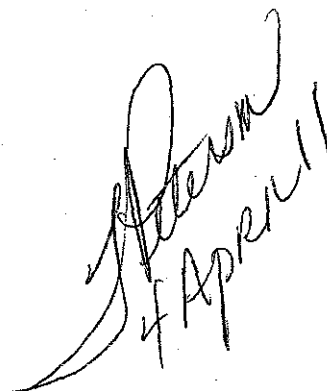

I will be moving out of state for personal reasons and look forward to continuing working in education.

Thank you for the many opportunities afforded me here. I will remember working here with fondness.

Sincerely,

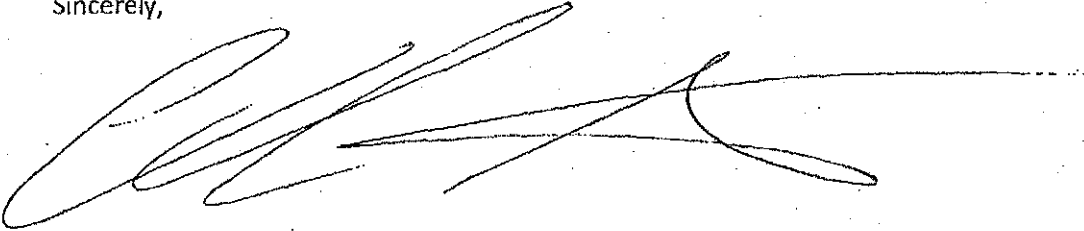

Greta Cox

Dear Todd,

I am writing to let you know that I will not be coming back next school year to teach credit recovery at Soldotna High School. I will be pursuing teaching abroad through either the Peace Corp or Green School in Indonesia. I have thoroughly enjoyed my time here at Soldotna and it has been a difficult decision in deciding not to come back for next year. I have developed many strong relationships in Soldotna through teaching, coaching, and through worship at Peninsula Grace church. I have had a passion inside of me to teach abroad, and I feel this is something I have to pursue at this time in my life. I don't know what the future holds for the upcoming years, but I will look back at my time here fondly. I have really enjoyed the Soldotna community and would consider coming back to teach and coach in the future if the opportunity presented itself at the right time. Thank you for the opportunity you have given me this year to gain experience in teaching and coaching. I have had a positive experience here and feel blessed to have been a part of the SOHI family.

All the best,
MLR

To: Kenai Peninsula Borough School District

This is my formal announcement that I am resigning from Soldotna High School as an Intensive Needs Special Education teacher.

I have thoroughly enjoyed my first year of teaching at Soldotna High School. I was apart of a great special education team that supported me.

I would like to thank the Alaska Statewide Mentor Program, District Mentor Program, staff at Soldotna High School, and staff at the Kenai Peninsula Borough School District for all their support. I had an abundance of resources and support and gained knowledge and insight.

Due to personal reasons I will not be returning next year. I appreciate the opportunities I have been given here.

Sincerely,
