SCHOOL BOARD COMMUNICATION

Title: New Curriculum Development Process

Date: 7/29/2011

Item Number:

Administrator: Doris Cannon, Director of Curriculum *Doris Cannon*

Thru Sean Dusek, Assistant Superintendent of Instruction *Sean Dusek*

Attachments: none

Action Needed For Discussion Information Other: _____

BACKGROUND INFORMATION

Curriculum development for KPBSD has changed from a one-year quick process to a two-year more thorough process. This allows the committee time to develop a rigorous curriculum for our students, ample time to select and receive materials, and to provide professional development for teachers before the new curriculum is implemented.

ADMINISTRATIVE RECOMMENDATION
