SCHOOL BOARD COMMUNICATION

Title: Proposed Board Meeting Date Change

Date: August 29, 2012

Item Number: 10a.(3)

Administrator: Steve Atwater, Ph.D.
Superintendent of Schools *Steve Atwater*

Attachments:

Action Needed For Discussion Information Other: _____

BACKGROUND INFORMATION

Last April you set the school board's FY13 meeting dates. The administration respectfully requests that the February 4, 2013 meeting be advanced by one week to February 11, 2013. This request is made to accommodate my attendance at the national Network for Innovative Education annual meeting that will be held on February 4-5. This network is comprised of school leaders from around the country and is an excellent way for me to glean those best practices that are helping these districts have success.

Of note is that no schools or others are scheduled to present on February 4. Thus, this proposal does not change the plans for others.

ADMINISTRATIVE RECOMMENDATION

Approve the change of meeting date from February 4, 2013 to February 11, 2013.
