From: Curtis Liberty

Subject: 2007-2008 School Year

Date: December 12, 2006

Dear Dr. Peterson,

It has been a pleasure to serve KPBSD in Seldovia. My family has found a place they love and cherish, and we were very excited when selected for the positions in Seldovia, but our circumstances do not allow us to remain as we had hoped. Our love for the area has grown immeasurably and so it is with sadness from our whole family that I must inform you of our decision that I will not return to Seldovia next year.

As I am looking to next years staffing and needs for Susan B. English School, I feel that it is imperative to give the district the greatest amount of time to pursue the best course of action in meeting those needs. Our family has tried to figure a way to continue to be a part of those plans, but we are unable to arrive at an alternative solution for our situation at this time.

I would like to reiterate what a pleasure it has been to work for KPBSD, which makes it all the harder to leave. I have enjoyed the support and professionalism from you Dr. Peterson, Mr. Stewart, Mr. Szymoniak, Ms. Holmgaard, and the entire district.

Thank you for the opportunity to serve and if circumstances one day again in the future afford the opportunity, I would hope that Ronanda and I may be part of them.

Sincerely,

Curtis Liberty, Principal

Donna Peterson
