MEMORANDUM

To: Board of Education

From: Sam Stewart, Assistant Superintendent

Re: QS2 Resolution # 06-07-2

Date: April 26, 2007

A worksession will be held in the afternoon to discuss the District's application for limited participation in the Quality Schools/Quality Students (QS2) Service. AASB cannot provide this service to the entire District; therefore, the proposed application is limited to the communities and the schools in the communities of Seward, Nanwalek, Tyonek, and Ninilchik.

AASB requires that the Board pass a resolution in support of partnering for the QS2 services and that the resolution be part of the application to be submitted.

The administration recommends approval of Resolution #06-07-2 as presented below.

Resolved, that the Kenai Peninsula Borough School District enter into partnership with the Quality Schools/Quality Students (QS2) Service for the purpose of improving student achievement. The Kenai Peninsula Borough School District will work with QS2 for three years in the communities of Seward, Nanwalek, Tyonek and Ninilchik to create and implement a community-based strategic plan tailored to local needs. It is understood that implementing the locally approved strategic plan may involve changes in how the District currently allocates its human and financial resources.
