

**Kenai Peninsula Borough School District
Resolution #06-07-2
Quality Schools/Quality Students (QS2)**

Resolved, that the Kenai Peninsula Borough School District enter into partnership with the Quality Schools/Quality Students (QS2) Service for the purpose of improving student achievement. The Kenai Peninsula Borough School District will work with QS2 for three years in the communities of Seward, Nanwalek, Tyonek and Ninilchik to create and implement a community-based strategic plan tailored to local needs. It is understood that implementing the locally approved strategic plan may involve changes in how the District currently allocates its human and financial resources.
