**KPBSD Golden Apple Award Recipient**  
**March 4, 2002**

Over the past eight years, Jane Symens has volunteered thousands of hours to Chapman School. Jane serves as a positive role model for students and adults in the Anchor Point community.

Mrs. Symens volunteers at Chapman School everyday; she alone, oversees the operation of the school's library. Jane displays a true love for the written word and is always happy to share her knowledge and appreciation of books with the school's library patrons.

We, the Kenai Peninsula Borough School District Board of Education, support volunteerism in our schools; therefore, we are proud to recognize Mrs. Jane Symens for her many years of volunteer service, leadership and devotion to quality education.
