

Mary Kennedy
Golden Apple Award Recipient

The Kenai Peninsula Borough School District is fortunate to have many parents and community members volunteering in the classroom and throughout the schools in various capacities. Mary Kennedy is an outstanding example of a school volunteer.

Mary is always involved in a whirlwind of activity. In a typical week she logs in between 40 and 60 volunteer hours at Nikiski Middle/High School. School principal, Robin Williams estimates that should Mary ever stop her volunteerism it would take ten others to do the work Mary currently accomplishes.

Nikiski Middle/High School administration, staff and students consider it a joy and privilege to have Mary on their campus. She always completes her tasks with a cheerful attitude.

We, the Kenai Peninsula Borough School District Board of Education, are proud to recognize Mary Kennedy for her many hours of volunteer service, leadership and devotion to quality education.
