

Wayne Clark Golden Apple Award

Wayne Clark joined the Kenai Peninsula Borough School District educational team in 1989. Throughout his tenure, Wayne remained in Homer, teaching history to students at the junior high/middle school level until his retirement in May, 2001.

Wayne has brought history "alive" to the students he has instructed through the years. He has served many Thanksgiving meals as the class studied the Feast of Thanksgiving. Many students recall Mr. Clark fondly as they reminisce of their spring break in Washington D.C. Wayne Clark was a hands-on teacher; providing learning in ways that many students did not even recognize as education. He is indeed a role model for all educators, a true "Master Teacher."

During the past 23 years, Wayne has given his all to educating children. The Kenai Peninsula Borough School District Board of Education wishes to recognize Wayne's contributions by awarding him the Golden Apple Award for Outstanding Service to the District. Thank you for your outstanding service and may you continue to educate during your retirement.
