Kalifornsky Beach Elementary is extremely fortunate to have Mr. Tony Cloud as a parent volunteer. He selflessly gives endless hours to K-Beach Elementary.

It is because of Tony's efforts that many students participate in the school's breakfast program. He purchases and delivers the milk, coordinates the food donations and schedules the volunteers so more than 40 to 60 children can eat a good breakfast and be ready for a day of learning. Tony is also very active in the school's PTA and may be seen on any given day at K-Beach doing whatever needs to be done.

Sylvia Reynolds, K-Beach principal states that "Mr. Cloud's greatest asset is his attitude. He always has a smile on his face and is willing to help. Tony asks for nothing for himself, but gives so much in return."

School and community volunteers, such as Mr. Cloud, enable the Kenai Peninsula Borough School District to accomplish far more than it otherwise could without their support. We, the Board of Education, would like to recognize Tony Cloud for his outstanding service to the Kenai Peninsula Borough School District and its students.
