Mr. John Pothast, Redoubt Elementary principal, introduced Mrs. Sue Biggs and several third grade students who demonstrated and performed an African song that included drums and audience participation. Mr. Pothast gave a computer-generated presentation highlighting new curriculum materials, co-teaching, special activities (library, physical education, music), extra opportunities (school newspaper, artists-in-the-schools, battle of the books, robotics, forensics, evening family activities), after school activities, and assessment information. He concluded the report with a poem called *Harvest Home*.

RECESS
(7:21:31 PM)

At 7:21 p.m. Mrs. Downing called a recess.

RECONVENE AFTER RECESS:
(7:26:29 PM)

At 7:26:29 p.m. the Board reconvened in regular session.

PUBLIC PRESENTATIONS:
(7:26:33 PM)

Mrs. Jenni Hammond, Nikiski parent, asked the Board to lower pupil-teacher ratio in grades 4 through 6. She addressed a news article regarding student discipline in public schools. She asked for parent cooperation during the upcoming legislative session to make their concerns known to local legislators regarding education issues and early funding.

HEARING OF DELEGATIONS:
(7:29:04 PM)

Mr. Mike Larson, representative from the Employer Support of the Guard and Reserve, explained the missions of the program and noted that Dr. Peterson has signed a statement of support on behalf of the District administration.

COMMUNICATIONS AND PETITIONS:
(7:31:13 PM)

Dr. Peterson reported that the Board received a letter sent to the Hope community regarding the low student enrollment at Hope Elementary/High and the potential for closure. She explained that the student count is below 10 and, as a result, does not qualify for separate site funding status by the State of Alaska. She noted that the administration will schedule a worksession to update the Board. She noted that career development conference reports have been forwarded to the Board. She noted that the Board received a revised committee list for Board member committee assignments. She reported that the Board received a letter regarding the Workforce Development Center and their summer construction activities.

**ADVISORY COMMITTEE,
SITE COUNCIL AND/OR
P.T.A., K.P.A.A., K.P.E.A.,
K.P.E.S.A, BOROUGH
ASSEMBLY:**

(7:32:45 PM)

Mrs. Bartolini, KPESA president, announced that together KPEA and KPESA have applied for and received grant money from NEA-Alaska for a winter safety program for children. She reported that the money was spent on approximately 5,000 highly reflective zipper pulls and a flyer containing personal safety information and will be distributed to District students. She thanked the volunteers for their help assembling the pulls, NEA-Alaska for making the grant money available, the administration for agreeing to the distribution through the interdistrict mail delivery, and the warehouse staff for delivering the packet to the schools.

**SUPERINTENDENT'S
REPORT:**

(7:37:57 PM)

Dr. Peterson reported that Mr. Szymoniak is attending a professional development conference. She reported that the FY09 budget survey is online. She noted that software experts are visiting the District as part of the upcoming software conversion. She noted that deferred compensation experts are visiting school staff to provide information regarding retirement. She reported that she spoke to the Kenai Chamber of Commerce on Wednesday, November 28 and that she will attend the upcoming Governor's Summit on Early Learning, and the State Board of Education and Early Development meeting. She noted that December 21 is a minimum day for students and that Nanwalek Elementary/High School and Port Graham Elementary/High School will be in session during Winter Break.

FINANCIAL REPORT:

(7:39:44 PM)

Mrs. Douglas presented the financial report of the District for the period ending October 31, 2007. She noted that the final FY08 budget revision will be made at the January Board meeting.

**COMPREHENSIVE ANNUAL
FINANCIAL REPORT:**

(7:40:29 PM)

Mrs. Douglas presented the FY07 Comprehensive Annual Financial Report and noted that the auditor has submitted an unqualified opinion that the District financial statement reflects the financial condition of the District with no material misstatements.

**SIX-YEAR PUPIL
ENROLLMENT
PROJECTIONS:**

(7:41:41 PM)

Mrs. Douglas presented the Six-Year Enrollment Projections (2008-09 through 2013-14) that reflects 8,963 students for FY09. She noted that the 2% annual decline and the closure of Agrium bring the enrollment projection below 9,000 students. She noted that the projection will be revised for one of the charter schools in order to make sure the student count is as accurate as possible.

BOARD REPORTS:

(7:47:49 PM)

Dr. Anderson reported that the Science Curriculum Committee has discovered that if the curriculum is reorganized in a logical and orderly manner many of the subjects covered in the state and No Child Left Behind mandated science tests will not have been taught before the tests are given. He expressed concern that the science curriculum is designed to cover four years and in seventh grade one-half of the year health is taught instead of science. He reported that he is bothered by comments made by a number of teachers who reported that they have been told not to give science homework or they should make sure that the science homework was included in the time given for math homework so that it is the same amount for both subjects.

BOARD REPORTS:

(continued)

Mr. Anderson reported that the Charter School Oversight Committee heard from representatives from each of the charter schools as well as the administrator for West Homer Elementary.

He reported that the Committee discussed a space request from Fireweed Charter School and added that he will compile a synopsis of the discussion for other committee members to review and then will forward it to the President along with any recommendations. He reported that the group discussed costing procedures for the various charter schools.

Ms. Hohl reported that she attended the Association of Alaska School Board Annual Conference on November 7 through 12 and will email a written report prior to the next meeting. She reported that she attended the FY09 Budget Review Committee meeting at the District Office on November 12.

Mrs. Hilts reported that she attended the AASB Annual Conference and added that she hopes to again hear from David Warlick who provided a session on 21st Century literacy skills and technology. She reported that she attended the FY09 Budget Review Committee meeting on November 12 and recommended that all Board members attend future meetings. She stated that she was impressed with the administrative team for dealing with the issues brought up by the public during the Committee meeting.

Miss Meyer reported that she attended the AASB Youth Leadership Institute and stated that she met lots of other students from across the state and that it was a positive experience.

Mrs. Mullins reported that the Health Committee met and reported that several elementary teachers have been invited to attend the next meeting in order to provide input on how to put the K-6 curriculum together to better serve their needs. She stated that as a member of the Alaska Student Activities Association she attended a two-day meeting in Anchorage in which wrestling was discussed at length. She stated that she attended the AASB Annual Conference and provided new school board training. She reported that she attended a session by Mr. Warlick who provided valuable information regarding technology and how to find accurate information online. She reported that during the Board of Directors meeting she was voted in to replace Mrs. Crawford on the ASAA Board of Directors.

On behalf of AASB, Mrs. Mullins presented Boardmanship awards to Ms. Lynn Hohl, Mrs. Liz Downing, and Mrs. Sunni Hilts. Dr. Nels Anderson was awarded the Excellence in Boardmanship Award.

Mrs. Downing reported that she and others from the District Office attended the Fireweed Charter School APC meeting to discuss concerns and the need for the Charter School to grow. She reported that she attended the AASB Annual Conference and has presented a written report to the Board.

**BOARD WORKSESSION
REPORT:**
(8:02:23 PM)

Mrs. Downing reported that the Board worked on a review of the Board Protocols and Bylaws, heard the Comprehensive Annual Financial Report, and held a discussion regarding FY09 enrollment projections. She noted that the Board heard updates regarding the Six-Year Plan and school portables, the work of the Community Action Coalition, and the Quality Schools/Quality Students Program.

BOARD COMMENTS:
(8:24:50 PM)

Ms. Hohl, reported that she gave a report to the Seward City Council, participated in the Quality School, Quality Students Initiative interview, and requested Board support for notification and inclusion in the Hope School conversations. She stated that she enjoyed the Redoubt Elementary presentation. She stated that she had questions regarding portables and their use. She stated that she was sorry to miss the Kenai Alternative High School Thanksgiving dinner. She asked for more information regarding capital project needs throughout the District.

Mrs. Brown reported that she attended the AASB Annual Conferences and expressed concern that the State of Alaska Department of Labor is not bringing forward solid projections regarding Alaska labor force needs. She added that without knowing the needs, it is difficult for families and school boards to make future educational plans for students. She wished those present a Merry Christmas.

BOARD COMMENTS:*(continued)*

Mr. Anderson reported that he attended the AASB Annual Conference and attended the Department of Labor session and noted that there is a large gap between school districts and the Department. He noted that the financial gap between a one- or two-year technical degree and a 4-year degree is closing. He thanked Redoubt Elementary staff and students for the school report. He stated that he is not pleased with the nature of the questions in the Community Action Coalition Youth Survey and gave examples of questions related to ethnicity, religion, hand guns, etc. He read a statement regarding future use of the survey.

Mr. Hatch reported that Mr. Warlick (speaker at the AASB Annual Conference) said that educators are charged with preparing students for a future that cannot be predicted.

Dr. Anderson noted that 900 out of a total of 9,000 students Districtwide are enrolled in the Connections Program, which means that the remaining approximately 8,000 students are being housed in buildings that can accommodate 14,000 students. He predicted that the District will have less than 50% capacity at many buildings in the near future. He stated that he was completely surprised and honored to receive the Excellence in Boardmanship award.

Miss Meyer thanked the Redoubt Elementary staff and students for the presentation. She wished those present a Merry Christmas.

Mrs. Hilts expressed her appreciation for the Redoubt Elementary school report. She thanked the students who were in attendance and added that she is impressed with those who stayed until the end of the meeting. She expressed hope that the students will return to a future meeting and speak to the Board about what they think the District priorities should be. She encouraged Dr. Peterson to speak to the State Board of Education and Early Learning about imposing mandates regarding student assessments and reading courses for teachers. She stated that she is pleased that the District places an importance on vocational education. She wished those present a Merry Christmas and a happy holiday.

Mrs. Mullins expressed appreciation for the Redoubt Elementary school report and artwork. She congratulated Mrs. Douglas, Chief Financial Officer, and the entire Finance Department for the unqualified opinion from the auditor. She reported that she received an invitation to the Governor's Summit on Education and will attend but not as a member of the KPBSD Board of Education. She wished those present a Merry Christmas.

BOARD COMMENTS:

(continued)

Mrs. Downing noted that she included a written report of the sessions that she attended during the AASB Annual Conference in the Board Information Packet. She stated that she attended the full-day vocational education workshops and felt that the Department of Labor laid out the areas of industrial growth. She reported that there were a number of presentations from various vocational education programs statewide, some of which are similar to those offered in the KPBSD. She stated that she would like to see the District give a vocational education presentation at a future Annual Conference. She reported that the District is considering student-built portables. She noted that technology is changing the way vocational education courses are being taught. She stated that the Redoubt Elementary presentation was enjoyable and expressed appreciation for the creative activities and inclusive classrooms. She wished those present Happy Holidays.
