Dear Mr. Peterson:

May I begin by stating what an honor it has been working for the KPBSD for the past 20 years. As a School Psychologist I've had the opportunity to work with all age groups and with every school Tustumena south. I've had the opportunity to work with an ongoing group of outstanding Directors of Pupil Services, Administrators, school staff and School Psychologists. The KPBSD has always been in the forefront of the ever changing world of special education and the school psychologists have always been allowed to be an integral part of these changes. What a professionally challenging and rewarding experience.

I will be retiring at the end of the school year and moving to Washington where my husband has taken a new position. Please consider this to be my letter of resignation effective at the end of the current contract year.

I can not begin to thank all those that have been a part of my experience at KPBSD. Every time I've had a question, made a call or needed support my needs have been met in a positive manner without question. It amazes me as I look back over the past 20 years at all I've experienced and learned. Thank you for allowing me to be a part of this outstanding school district.

Sincerely,

Raniece Sutton-Gamache
School Psychologist
