Subject: Recommended Handbook Changes for SY 2009

At its regularly scheduled April 23rd General Membership meeting, the member schools of the Kenai Peninsula School Activities Association approved to recommend to the Board of Education an increase to middle school participation fees from \$45 to \$60 per activity. This increase is necessary due to the rising costs of officiating fees. Students and families who are unable to afford this cost increase may still avail themselves of the waiver process at their school.

It is respectfully recommended this increase be approved.

Thank you.
