

Safe and Orderly Schools

Administrator Meeting Presentation

Donna Peterson, Ed.D.

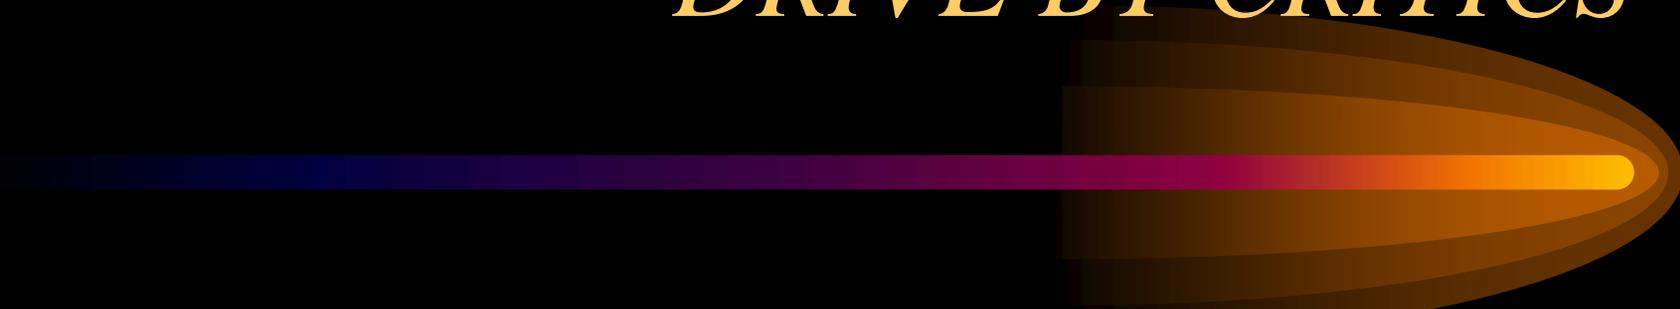

September 16, 2004

- Keep me safe
- Treat me with respect
- Teach me well
- Make me feel special

Pattern for responses when things get rough

1. Verify, slow down
2. Team plan
3. Information
4. Media contact
5. Review and tweak
6. Know there will be critics

DRIVE BY CRITICS

A stylized bullet graphic is positioned horizontally across the center of the slide. The bullet has a gradient from purple on the left to yellow on the right, with a brown shadow behind it.

AND SILVER BULLET SOLUTIONS

Paul Houston

**Never underestimate the power of
stupid people in a large group**

Your personal response characteristics

Behaviors,

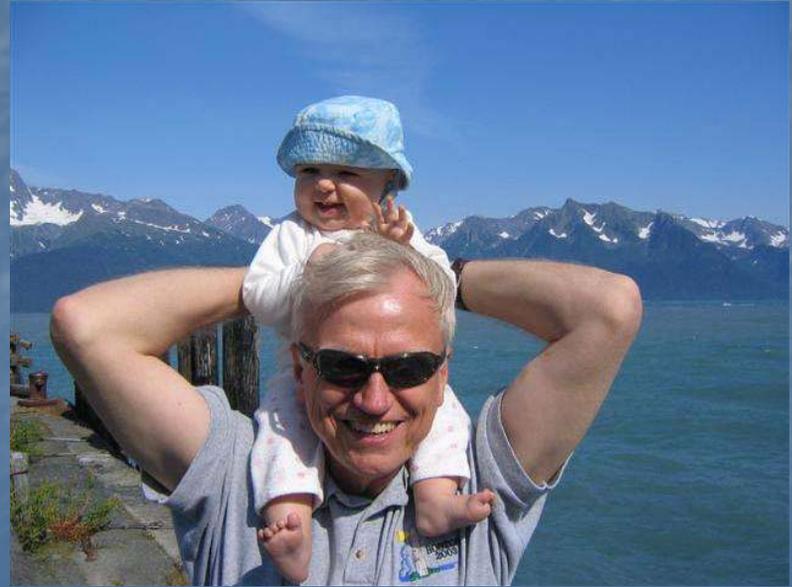

personality,

mental health

Level of

maturity

and

intelligence

A photograph of a construction site. In the foreground, a wall made of grey concrete blocks is under construction. Two workers wearing white hard hats and dark clothing are visible behind the wall. One worker is looking at a tablet or smartphone. In the background, a complex steel framework of a building is visible against a clear blue sky. The overall scene is one of active construction.

**Difficulties strengthen the mind
as labor does the body.**

– Lucius Seneca

Past

experiences

If we are not
prepared to deal
with violence...

Our lack of
leadership
will show.

Social,

cultural,

ethnic, and

religious/philosophical

background

OPPORTUNITY TO
DEMONSTRATE WE CARE

Role

conditioning

We need unifiers

rather than finger pointers

Age

Concurrent

stresses

or crisis

in life

You don't have time to
consider yourself a victim,

you have to be empowered to do
your best.
