Re: Outsourced Activities Recommendation

At the November 17, 2008 meeting, the Kenai Peninsula School Activities Association Executive Board voted unanimously to recommend approval of outsourced activity applications for the following:

- a) Homer High School, softball & baseball
- b) Soldotna High School, softball & baseball
- c) Skyview High School, softball & baseball

Voznesenka is requesting an 8 man football program to become a school activity at no expense to the district for the first year. In addition, Seward High School may request boys' baseball to be outsourced at a future meeting.

All of the outsource applications and accompanying documents are complete and satisfactory. The Kenai Peninsula School Activities Association respectfully recommends your approval of these outsourced applications.

Thank you,
