MEMORANDUM

To: Dr. Donna Peterson, Superintendent
Board of Education

Through: Dave Jones, Asst. Superintendent 
Kenai Peninsula Borough School District

From: Dave Spence, Director, Planning and Operations 
Kenai Peninsula Borough School District

Subject: Resolution 08-09-4 approving the transfer of 5 AWG buses

Prior to the 2006 Arctic Winter Games, the Kenai Peninsula Borough received funding for the purchase of 22 activity buses through the Federal Transit Administration (FTA). After the games ended, these buses were sent out to schools to provide student transportation with school activities. However, not all 22 buses are currently being utilized.

To ensure these assets are made available to qualifying agencies that may also have transportation needs, the School District and the Borough are jointly requesting the support from both the Board of Education and the Borough Assembly to transfer ownership of five (5) of these AWG buses to the Kenaitze Indian Tribe for use in their new transportation program.

Thank you.
