Nanwalek Elementary/High School

November 3, 2009

Dear Dave Spence:

The purpose of this letter is to request the admittance of Nanwalek into the ranks of interscholastic sports within the KPBSD and Alaska High School Activities Association. Nanwalek School, two years ago, started a club basketball team and played several teams. Last year, 2008-2009, we played 9 games still under the club status. In 2009-2010 we hope to play 18 games with a combination school agreement with Soldovia and Port Graham. We respectfully request a full status in boy's basketball. We will be playing a combined co-ed team but playing in the boy's league. All our athletes will meet the necessary standards for eligibility.

As you realize, interscholastic activities play a huge role in the development of student leadership and academic achievement. We feel this step for Nanwalek would help all of our students and community. We appreciate any assistance you can be in this process of recognition for participation.
