Subject: Notification of the Intention to Retire

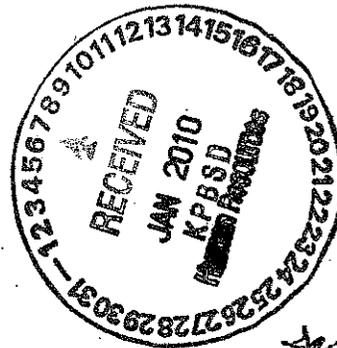

After a great deal of thought, I have decided to retire at the end of my contract for the 2009-2010 school year. I have been truly blessed to have had one of the best and extremely unique jobs in the whole world, working for this district at Kachemak Selo School. I am very proud of how far the school has come in the past 21 years of my career with the Kenai Peninsula Borough School District. It has been my pleasure working with the greatest group of educators in the state, and in one of the most beautiful places on Earth.

Sincerely,

Randy Creamer

Dear Mr. Peterson,

It is with much sadness that I am submitting this letter of resignation from my teaching position with the Kenai Peninsula Borough School District effective at the end of my current school year contract, 2009-2010. It is not in my nature to boast, however, please indulge an "old lady" a few words in which to express some pride in dedication with appreciation for its rewards. I have thoroughly enjoyed teaching Kindergarten in Kenai for the past 21 years. I have enjoyed the children so much that I have earned an additional year of credit for unused sick leave! My 18 years at Sears Elementary and 3 years at Mountain View Elementary will hold many fond memories. I have been directly responsible for 553 of our youngest students, including children of my former students. (My total career spans 33 years, teaching and learning from over 1,212 children.) It has been a dream-come-true chapter in my life. I thank KPBSD for this opportunity.

I am resigning for the purpose of retirement, because I have been asked to be a full-time Grandmother! So although it is difficult to leave such a rewarding career, I am excited about my wonderful "promotion" to Grandmotherhood and I look forward to many more adventures with children!

I wish my fellow co-workers (past and present), KPBSD, and all your future students the best of health, happiness, and continued success.

Sincerely, Kathy A. Atkinson ☺

Dear Carolyn Cannava and Tim Peterson,

I am resigning from my teaching position at Soldotna Elementary. I am currently on unpaid leave and will not be returning for the 2010-2011 school year.

I have enjoyed my years working at Soldotna Elementary and I hope to return to the district someday. I find myself embarking on a new journey and that is being a mother.

I thank you for the wonderful teaching experience and opportunity given these last few years.

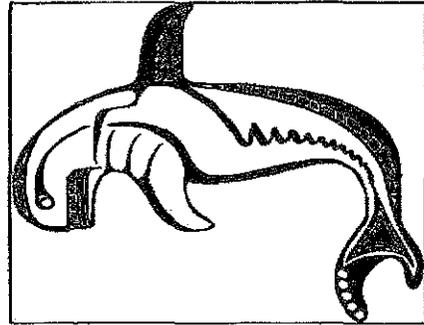

Sincerely,

Karlene Meyers

Dear Tim Peterson,

I would like to submit my letter of resignation from Port Graham School at the end of the 2009/2010 school year. I hope to stay within the Kenai Peninsula Borough School District and plan to pursue positions within schools on the road system. I have decided to leave Port Graham to be closer to medical facilities and to be in a place that is more congruent with my beliefs and value system. I have enjoyed my two years of teaching in Port Graham and have learned a great deal that I will carry over to my next teaching position. I have already completed my transfer request and plan to actively apply for positions within in the school district. Thank you for all of your support and assistance throughout my Port Graham years and I look forward to working with you through another school.

Sincerely,

Home of the Killer Whales

Dear Tim Peterson,

I would like to submit my letter of resignation from Port Graham School at the end of the 2009-2010 school year. I plan to actively pursue teaching positions with the district and hope to remain a Kenai Peninsula Borough School District employee within a road system school starting next school year. I have decided to leave my current teaching position in hopes of teaching on the road system to be closer to medical care and to live in a community that is more inline with my values and beliefs. I have valued my time and the experience that I have gained teaching in Port Graham and I look forward to bringing that knowledge and experience to my next teaching assignment. I have submitted my application for transfer and I will actively apply for positions as those that I am qualified for become available. Thank you for all of your assistance throughout my two years of teaching at Port Graham School and I look forward to working with you through a teaching role within another school.

Sincerely,

Riley Justis
