Noreen O'Brien Duggan
April 5, 2010*

Noreen Duggan has an excellent way with all children, especially children with significant emotional or behavioral needs. She is patient yet firm and consistent. She has high expectations and rewards children for their hard work. Noreen is a team player, always helping wherever it is needed. She takes new teachers under her wing to help them get settled. Noreen has an endless amount of positive energy and commits a great deal of time beyond a regular work day. It is not uncommon for Noreen to give personal time to clean and ready the classrooms for the next day.

We, the Kenai Peninsula Borough School District Board of Education, are proud to recognize Noreen O'Brien Duggan for her dedication to the students, parents and staff at Paul Banks Elementary School.
