SUBJECT: Proposed Policy Revisions

The following policies were reviewed by the Board Policy Committee on June 8, 2010 and are scheduled to be reviewed by the Board for first reading at the Board Meeting on July 12, 2010.

The administration recommends making the following changes to policy:

BP 1250 Volunteer Assistance – Policy to be updated to current practice of requiring background checks of volunteers.

BP 5111 Admission – Changed to clarify criteria used.

BP 6162.71 Acceptable Use Policy/Internet Safety Policy – Title and references changed to match the recently changed AR 6162.71.

VOLUNTEER ASSISTANCE

The wealth of experience available in the community is a resource that should be used in appropriate ways to enrich the educational program and strengthen our schools' relationships with homes, businesses, public agencies and private institutions. By their presence, volunteers also can make school environments safer and more closely supervised. The School Board encourages parents/guardians and other members of the community to share their time, knowledge and abilities with our students.

Individuals wishing to volunteer in the schools shall complete a District designed application process which includes a background check, ~~unless they are a parent/guardian of a student enrolled in the school or have been invited by school personnel and approved by the principal.~~

The Superintendent shall establish regulations to protect the safety of both students and volunteers. Volunteers shall act in accordance with District policies and regulations.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

The Board reserves the right to verify the residency or anticipated residency of any student and the validity of any affidavit of guardianship. These admission policies are not intended to be a barrier to the enrollment and retention of homeless children and youth.
