MEMORANDUM

To: KPBSD School Board

From: Sean Dusek, Assistant Superintendent *Sean Dusek*

Subject: District Improvement Plan

We will be discussing the KPBSD Improvement Plan during a work session. As a school in “improvement” status, we must complete a plan identifying the areas needing improvement and the strategies to be employed to address those needs.

Using the overall assessment information presented in an earlier work session and specific information from our Pupil Services Department, you will be asked for feedback, questions and suggestions to help prepare our improvement plan.

We are also utilizing several site councils and the Federal Programs Advisory Committee to gather a wide range of input to better represent the entire school district.
