Kenai Peninsula School Activities Association

During the 2009-2010 school year, eleven of our district secondary programs offered cocurricular activities. The total travel costs of these activities for the year were approximately \$380,000.

At the worksession scheduled for 4:30 p.m. on January 10th, we will review the previous formula and process the district has used in past years for the distribution of cocurricular travel funds.

Thank you
