Subject: Handbook Changes for School Year 2012:
Recommended Parent Representative for KPSAA Board

- Middle School Volleyball season extended

The Kenai Peninsula School Activities Association (KPSAA) has recommended Jay Griffel serve as Parent Representative on the KPSAA Board. Jay Griffel has been a parent for students at Nikiski Middle/High School for the past 11 years. One of his daughters graduated in 2006 and next year he will have a senior daughter and an 8th grade son. Jay has assisted in coaching our basketball programs for the past 11 years as well, both in an official capacity and as a volunteer. He is a tireless supporter of Nikiski Middle/High School activities.

Additionally, the KPSAA Board has recommended the middle school volleyball season be extended one week to end March 3, 2012. This will help equalize the basketball and volleyball seasons.

It is respectfully recommended the above co-curricular handbook changes be approved by the Board of Education for the 2012 school year.

Thank you.
