

Kenai Peninsula Borough School District

Committee Charge for Board Legislative Committee

Name:	Board Legislative Committee
Department:	Board of Education
Focus Area:	State and Federal Legislation
Membership:	Four Board Members appointed by the Board President
Type:	Standing
Meeting Dates:	As needed preceding school board meetings
Duration:	Ongoing Annually

Congressional and legislative actions are of particular importance to the school district given the amount of funding they provide. With that in mind, it is appropriate for the district to remain vigilant in keeping track of legislation which has an impact upon the district.

Therefore, this committee will be charged with the responsibility of working with the district administration to track legislation, report to the Board on legislation, provide testimony when appropriate, and lobbying legislators individually as warranted.

This committee will communicate with the district administration to develop an official response to pending legislation.
