SCHOOL BOARD COMMUNICATION

Title: Legislative Update

Date: January 28, 2012

Item Number: Worksession

Administrator: Steve Atwater, Ph.D.
Superintendent of Schools

Attachments:

☐ Action Needed ☒ For Discussion ☐ Information ☐ Other: _____

BACKGROUND INFORMATION

As we have done for the past two years, the district will maintain a record of current education related legislation during this legislative session. This record will provide you with a summary of introduced bills, the district's position on these and their most recent activity. Our communications specialist, Pegge Erkeneff, will maintain this document so that you can access it electronically. A hard copy of the summary will be available at the worksession on February 6.

ADMINISTRATIVE RECOMMENDATION
