KPBSD's FY13 Budget

Goal: to maintain the whole. FY13 budget keeps existing programs and staffing levels

Main Points to Consider for KPBSD's FY13 Budget

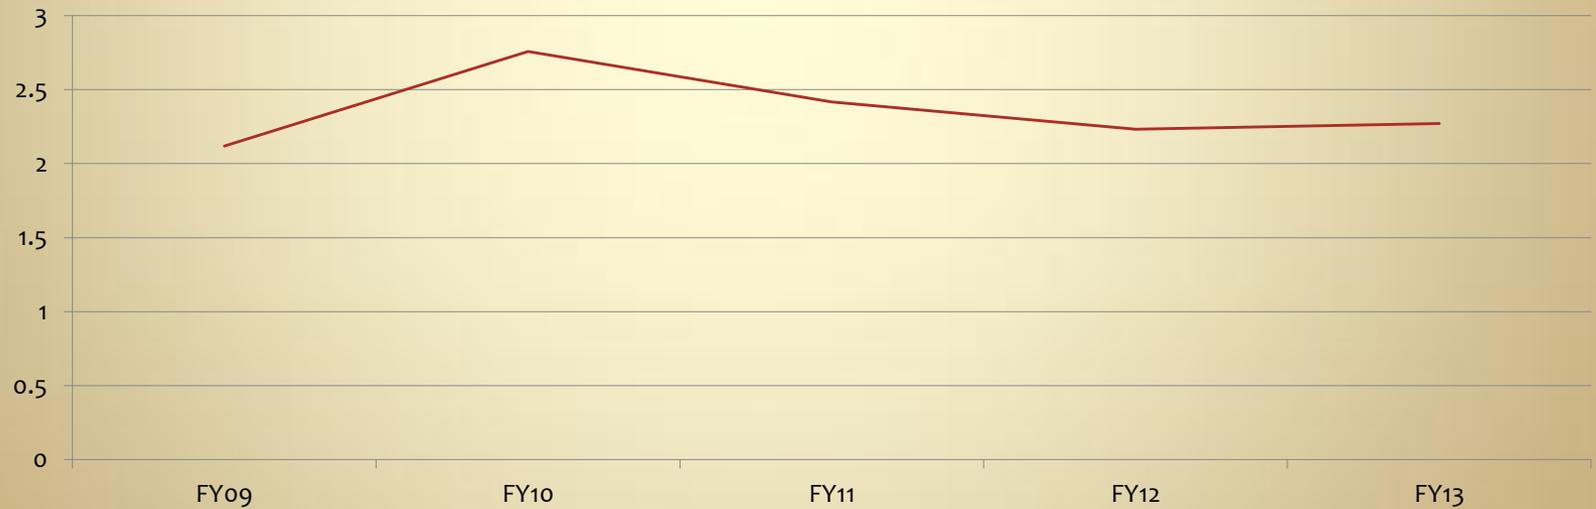

- KPBSD's FY13 Budget has been introduced to school board- public meetings this month
- Enrollment
 - FY12 8823 (February 6, 2012) down 263 from FY12 projection
 - FY13 (projected) 8871, increase of 52 from today's enrollment
- FY13 Budgeted Revenue
 - Includes same level from state as this year
 - Includes a borough appropriation increase of \$1.25 million (requested in December)
 - Includes using approximately \$2.5 million of fund balance
- Staffing for FY13 is in motion- tenured contracts issued in March. Most non-tenured contracts on hold until funding levels are clear.
- District would like the Assembly to commit a funding level to district sooner rather than later

Four year history and requested KPB FY13 appropriation and in-kind totals

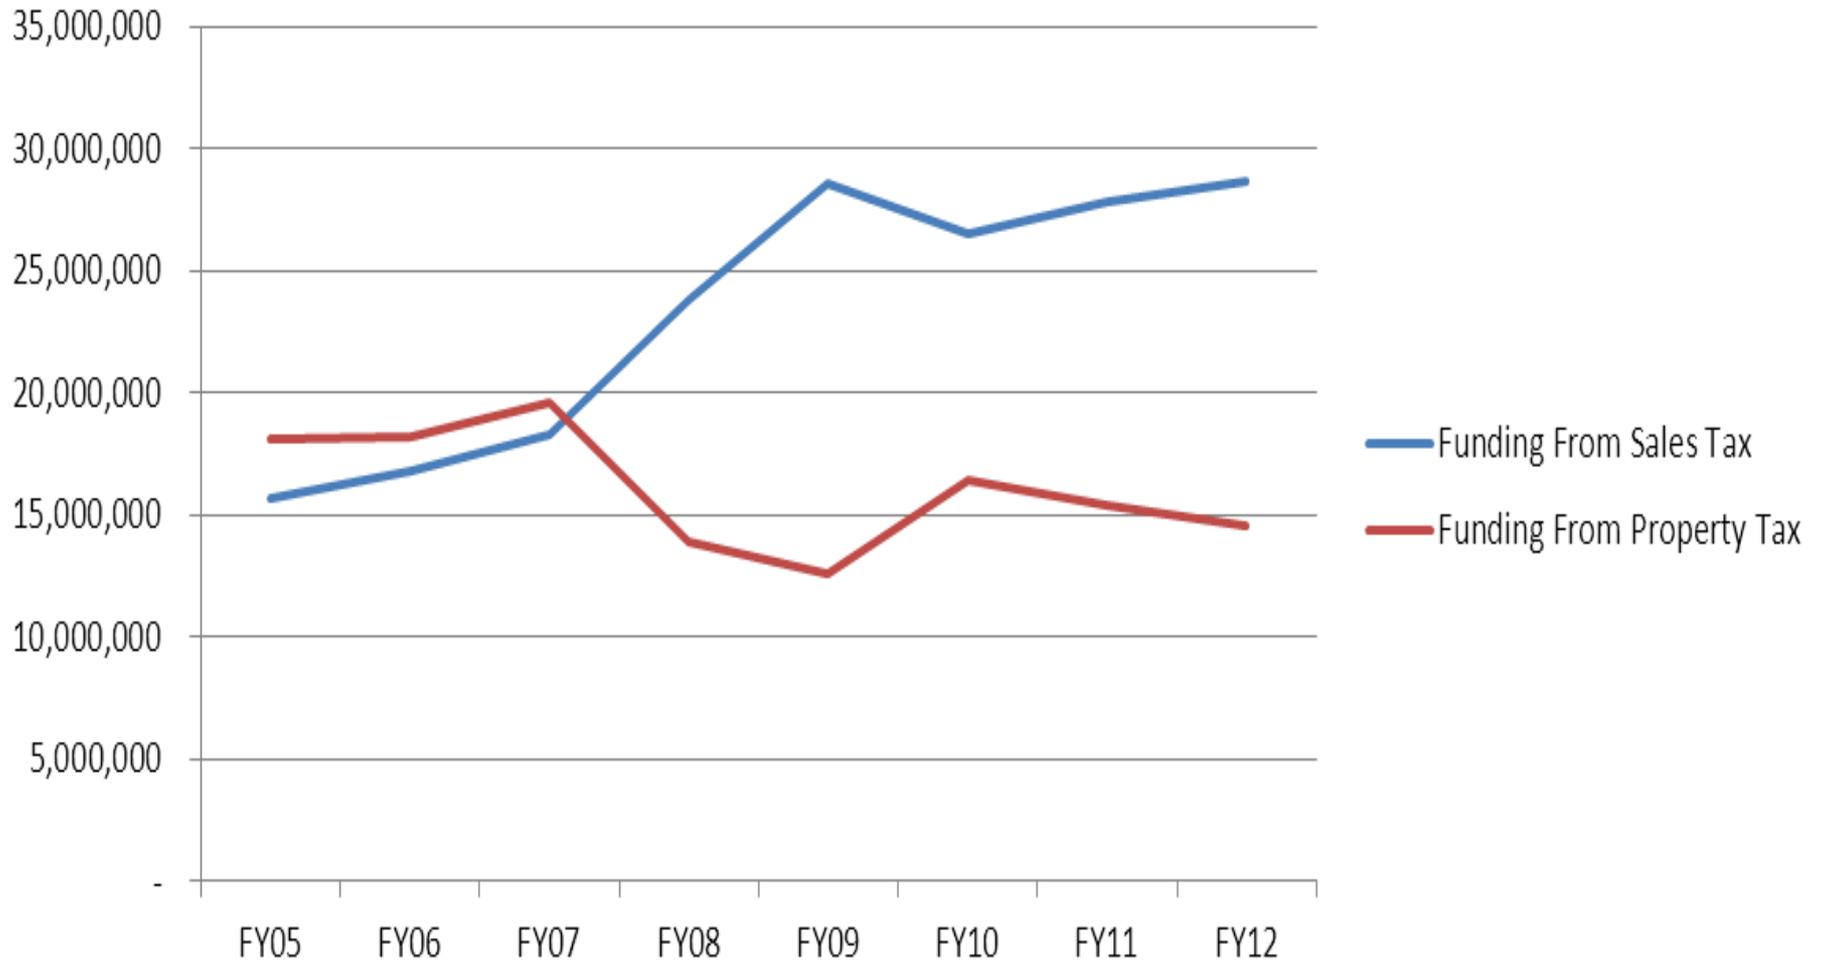

Request that Borough fund schools at \$44,500,000 for FY13, an increase of \$1.25 million

Mill equivalent of property tax devoted to KPBSD- assume \$1 million increase in Sales tax receipts

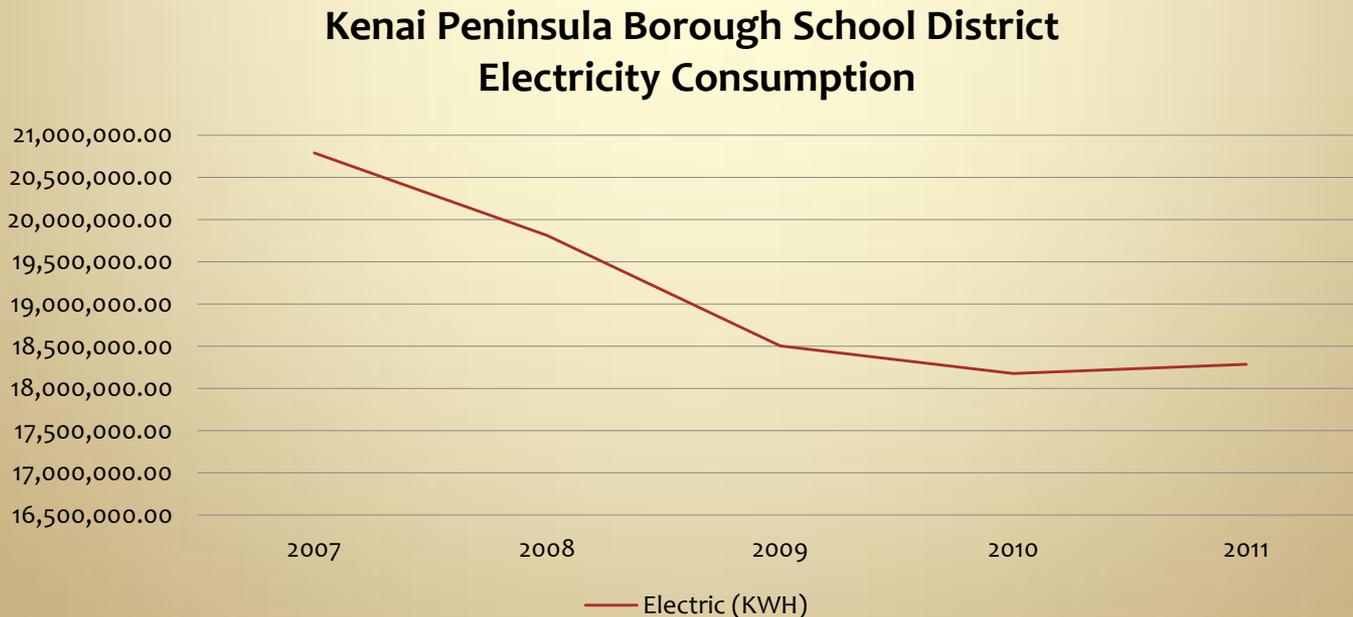

FY13 Projection Based on FY12 Assessed Value

KPB's Local Contribution to Schools, Where Does It Come From?

Reducing Expenditures- What are we doing?

- Transportation- proposed elimination of six buses = \$360,000
Note: FY12 transportation cost is at an 11% shortfall
- Personnel- Correcting staffing levels (eliminating about 22 certified positions)
- Reducing Electricity Usage
