Re: 2008-09 Calendar

Date: December 27, 2006

---

The calendar committee met on November 27, and again on December 7 to set up the 2008-2009 District calendar. Two of the proposed calendars are presented for further discussion during a worksession.

Both calendars have the semester ending prior to the Christmas Break, this better balances the number of days in each semester and additionally, eliminates the semester ending a week or two after returning from the break as had been previously done.

Both versions have the end of the semester (December 19) as a minimum day. Additionally, version 2b has the end of the third quarter (March 6) as a minimum day which moves an inservice to May 20.
