

Jane Stein

Golden Apple Award Recipient

Mrs. Jane Stein is being recognized this evening for the many volunteer hours that she devotes to the Kenai Peninsula Borough School District and, in particular, to Soldotna Elementary School. Jane is an exemplary volunteer throughout the Kenai Peninsula and the city of Soldotna. An avid supporter of education, Jane has served as the community member of the Soldotna Elementary School site council for four years.

As a site council member, Jane brings a community perspective and insight to the school's efforts in providing students a safe and creative environment for learning. Jane's proactive efforts to provide quality after-school activities for students have kept her involved in the After-the-Bell program. This year when the program was out of funding, Mrs. Stein, as a member of the Soldotna City Council supported Soldotna funds being channeled into another year of After-the-Bell.

School and community volunteers, such as Jane Stein, enable the Kenai Peninsula Borough School District to accomplish far more than it otherwise could without their support. We, the Board of Education, would like to recognize Mrs. Jane Stein for her outstanding service to the Kenai Peninsula Borough School District and its students.
