Joe and Terese Kashi have consistently demonstrated deep support for the students of the Kenai Peninsula Borough School District. The Kashis worked tirelessly to procure classroom sets of digital cameras, printers, and support equipment for K-Beach, McNeil Canyon and Redoubt Elementary Schools, Soldotna Middle School, Homer and Skyview High Schools, Nanwalek, Susan B. English, and Port Graham Schools.

The Kashis also facilitated contacts with various schools throughout Russia. As a result of these efforts, a multifaceted project was instituted that gave our students a multitude of cultural and technological opportunities. All of these efforts created additional relevant, positive learning opportunities for our youth in the Soldotna, Homer, Nanwalek, Seldovia, and Port Graham communities.

Mr. Kashi also generously offered his time and talents as a valued member of the Soldotna Middle School Site Council for two years. Schools will continue to thrive and reach their highest potential as a result of people like Mr. and Mrs. Kashi.

We, the Kenai Peninsula Borough School District Board of Education, are proud to recognize Joe and Terese Kashi for their dedication to the students, parents, and staff of the Kenai Peninsula Borough School District.
