Student Information System (SIS) and Pearson Digital Learning Platforms Integration Quick Start Guide for Students

Step 3:

To access curriculum products associated with a class, do one of the following:

Click the curriculum product course title (under the class name)

OR

Click the platform name (under Quick Links)

** If your starting point was something other than PowerSchool or SchoolNet, you may have already been directed to your Pearson Digital Learning Platform so step 3 may not be relevant to you.

Step 4:

Access your content, eText and assignments as you did in the past.
