Check Before You Send

Be sure to ask yourself the following questions before sending an email:

1. Would I say this message to someone's face?

Never send a text, email, comment, or post that you wouldn't say to someone in person.

2. Did I check for spelling mistakes?

Check your spelling to show that you care about your email, and that you are not in a rush.

3. Did I use capital letters correctly?

Be careful when using UPPERCASE letters. It's like SHOUTING.
