KENAI PENINSULA BOROUGH SCHOOL DISTRICT

NEWS RELEASE

Pre-Kindergarten Title I assessments take place in April

Soldotna, March 23, 2016—Children who will be four years old by September 1, 2016, have an opportunity to attend pre-kindergarten classes at their local area school in the fall. To qualify for the classes, parents and guardians must contact their local area school to schedule a Pre-K assessment, and complete an application prior to the school screening appointment date.

“The Title I funded Pre-K programs available at specific sites in the KPBSD provide an excellent opportunity for children who turn four by September 1, 2016, to get a jumpstart on success in school,” said Christine Ermold, director of elementary education. “KPBSD’s Pre-K teachers are all certified and have specialized training in early childhood education. As a result, the programs they offer are engaging and developmentally appropriate, with an emphasis on preparing children to be successful when they enter kindergarten. *Pre-K the KPBSD way* focuses on experiences that facilitate each child’s growth in the targeted areas of social and emotional development; approaches to learning; communication, language, and literacy; cognitive development, and; physical well-being.”
