Essential Questions	Corresponding Big Ideas
How do musicians generate creative ideas?	Create/improvise musical ideas (such as rhythms, melodies, and simple accompaniment patterns) within related tonalities (such as major and minor) and meters to convey expression and content.
How do musicians make creative decisions?	Demonstrate selected and developed musical ideas for improvisations, arrangements, or compositions to express intent, and explain connection to purpose and context. Use standard and/or iconic notation and/or recording technology to document personal rhythmic and melodic musical ideas.
